

Manchester Metropolitan University iSchool

# Introduction to Web Development

## Assignment Two Feedback

Date [date]

Name [name]

Student ID and Group [student ID] · GROUP [x]

---

**Metadata** Marked by reading the metadata in the HTML – the meta description tag and the title tag

---

0-19	20-34	35-39	40-49	50-59	60-69	70-85	86-100
------	-------	-------	-------	-------	-------	-------	--------

---

[Choose a mark first...](#)

---

**Working with HTML** Marked by validating the HTML and reading the code

---

× Your site did/did not validate: [x] error(s) found

---

0-19	20-34	35-39	40-49	50-59	60-69	70-85	86-100
------	-------	-------	-------	-------	-------	-------	--------

---

[Choose a mark first...](#)

---

**Working with CSS** Marked by validating and reading your CSS file

---

✓ Your CSS validated/Did not validate

---

0-19	20-34	35-39	40-49	50-59	60-69	70-85	86-100
------	-------	-------	-------	-------	-------	-------	--------

---

[Choose a mark first...](#)

---

**Working with JavaScript** Marked by viewing code and visually checking submission

---

0-19	20-34	35-39	40-49	50-59	60-69	70-85	86-100
------	-------	-------	-------	-------	-------	-------	--------

---

[Choose a mark first...](#)

---

**Accessibility of content** Marked by reading alt text and scanning your source code

---

0-19	20-34	35-39	40-49	50-59	60-69	70-85	86-100
------	-------	-------	-------	-------	-------	-------	--------

---

[Choose a mark first...](#)

---

**Image preparation and usage** Marked by reviewing pixel dimensions and file sizes of images

---

0-19	20-34	35-39	40-49	50-59	60-69	70-85	86-100
------	-------	-------	-------	-------	-------	-------	--------

---

[Choose a mark first...](#)

---

**Design, writing and attention to detail** Marked by reading content and viewing page

---

0-19	20-34	35-39	40-49	50-59	60-69	70-85	86-100
------	-------	-------	-------	-------	-------	-------	--------

---

[Choose a mark first...](#)

---

**Responsive Web Design implementation and usability** Marked by viewing site on mobile device and inspecting source code

---

0-19	20-34	35-39	40-49	50-59	60-69	70-85	86-100
------	-------	-------	-------	-------	-------	-------	--------

---

[Choose a mark first...](#)

---

**Quality of site preparation** This includes file naming and folders. Marked by viewing submission files

---

0-19	20-34	35-39	40-49	50-59	60-69	70-85	86-100
------	-------	-------	-------	-------	-------	-------	--------

---

[Choose a mark first...](#)

---

**Overall mark** as a simple average of the above within the stepped marking system

---

**Summary comments**

[final feedback]

**Overall mark [x]%**

---

Marked by IWD teaching team
